The Princeton Review- Cracking the AP Human Geography Exam (review book) is excellent. This book was originally authored by Jon Moore who is now a Geographer and Assessment Specialist for AP Human Geography at the Educational Testing Service. Jon Moore helps edit and create the College Board Exam that students will take at the end of the year for college credit.

The iScore5™ app- AP Human Geography is written by the teachers and professors that write the College Board Exam questions. <http://www.iscore5.com/apreg-human-geo.html>

<https://www.edmodo.com/> is the classroom website, and a group code will be given the 1<sup>st</sup> day of class.
