Fleming Island High School Vision Statement

We are releasing the eagle within each student to soar to limitless heights.

Fleming Island High School Mission Statement

Preparing tomorrow's leaders today

Fleming Island High School Beliefs:

- All students can be successful learners. Learning is most effectively enhanced through mastery of small unit objectives before moving on to subsequent units (i.e. mastery learning).
- Each student is an important individual with unique intellectual, physical, social and emotional needs that should be addressed when designing a program of study.
- Teachers, staff, administrators, parents, students and community members should share in the responsibility for providing a safe, supportive environment within our school.
- Clear goals and high expectations should be set for students in technical training, college prep classes and other advanced educational opportunities.
- Students with varying cultural backgrounds and needs learn in different ways and should be provided with a variety of instructional approaches to support their learning
- A variety of authentic assessment opportunities should be provided to enable students to demonstrate and apply learning.
- The commitment to continued improvement is necessary to enable students to become confident, self-directed, life-long learners and productive members of society.

Reminder to parents

Annually, every parent and student has the opportunity to evaluate the effectiveness of instructional employees by completing annual school improvement climate surveys. Additionally, parents and students may submit concerns or commendations relative to performance directly to the school principal or supervisor. Results are reviewed by school administration and assist supervisors in recognizing performance or identifying growth opportunities.

Fleming Island High School Guidance Services

The guidance services are located on the first floor of Fleming Island High School. Counseling can be obtained in academic areas, career/vocational areas, and personal/social adjustment. Students are encouraged to meet his/her assigned counselor early in the year.

In addition to individual counseling services, counselors also provide group guidance, testing services, information services, new student orientation, and post-high school information. Counselors also maintain information on a wide variety of outside community services to help students and families meet their needs.

HOW TO REACH YOUR COUNSELOR

1. Report to the Guidance Secretary before or after school to make an appointment.
2. At that time, you will receive an appointment time and pass to return to Guidance.
3. Report to class and after your teacher excuses you, you will report to the Guidance Office at your appointed time.
4. Be sure to sign IN and OUT with the Guidance Secretary.
5. Walk-in appointments are permitted only if the counselor is available, and the student has a pass from their teacher. Students without a pass will be returned to class immediately.

Parents, please call for an appointment prior to coming to school. (904-336-7661)

SCHEDULE CHANGES

Schedule changes must be completed within five days after the opening day of the semester. (Year-long classes may only be dropped during the first semester.) Therefore, paperwork must be completed by the third day in order to allow time for processing. Schedule changes will be considered only if they meet one of the following conditions:

1. Failure in prerequisite course(s).
2. Senior needing a specific course for graduation.
3. Acceptance of a senior in dual enrollment program or a student is in a special program (ESE, for example).
4. Student already has credit in the course.
5. Placement in a wrong course or a wrong level. (Level determination is based on past record, test scores, and teacher evaluation).
6. Student is scheduled for too many or too few classes.
7. After the first ten days of school, leveling must be within the same specific subject, such as Algebra I Honors to Algebra I. (This does not mean Algebra II to General Math.) All leveling must be done by the end of the first nine weeks.

SCHEDULE CHANGES PROCEDURES

1. On the first day, the only students who should report to Guidance are those who have a hole in their schedules or do not have a schedule.
2. Students may pick up schedule change request forms from the main office.
3. After the request form is returned, the student will either receive a schedule change form if approved or the form indicating disapproval from his/her first period teacher.
4. The student must have all teachers initial the schedule change form (returning books to the previous teacher).
5. After the previous teacher has initialed, the student should receive a pass to proceed to the new class. The form needs to be returned to Guidance once all signatures have been obtained.
6. **REMEMBER, DEADLINES FOR STUDENT-INITIATED SCHEDULE CHANGES WILL BE TEN (10) DAYS FROM THE BEGINNING OF EACH SEMESTER. (YEAR CLASSES MUST BE DROPPED IN THE FIRST TEN (10) DAY OF SCHOOL.** All paperwork must be completed and processed by that time. (Allow two (2) days for processing.)

CONFERENCES

Parent-Teacher conferences are scheduled at the request of either the school or the parent through the Guidance office. As a general rule, any problems or concerns a parent may have should be addressed with the teacher(s) prior to scheduling a conference.

TRANSCRIPTS

Transcripts will usually be available within 24 hours of your request. One (1) transcript will be issued at no charge. Additional transcripts will cost \$3.00 each. Requests for transcripts should be made with the Guidance Office.

Academy Coach

Our Academy Coach, Ms. Harris, is available to provide extra support with career and vocational planning. Appointments can be scheduled in the Guidance Office.

COLLEGE PLACEMENT TESTS

It is recommended that all students begin taking the SAT and/or the ACT in the spring of their junior year. We also encourage students to take the Practice ACT and the PSAT as early as their freshman year as this allows the opportunity to take an actual assessment without it being on your record. After the test, students keep the test booklet and get a solution key. Within a few days, students receive a complete analysis that pinpoints areas of weakness to help focus improvement efforts. To register through the mail, you can pick up registration packets in the Guidance Office. To register online visit www.collegeboard.com (SAT) or www.actstudent.org (ACT).

FINANCIAL AID FOR COLLEGE

Financial aid is used to bridge the gap between what you can afford and what school actually costs. Although not everyone qualifies for financial aid, every college-bound student should fill out the Free Application for Federal Student Aid (FAFSA) beginning in January of their senior year. Information on the various forms of financial aid as well as the application can be found at www.fafsa.ed.gov

FLEMING ISLAND HIGH SCHOOL STUDENT POLICIES AND PROCEDURES

ATTENDANCE

Administrators are responsible to assure that teachers and staff keep accurate daily attendance records.

School attendance is the responsibility of the parents and the students. **Students over the age of sixteen with excessive consecutive absences may be administratively withdrawn for nonattendance.** If a student is under the age of sixteen, the Clay County social worker will be asked to investigate. The School Board of Clay County, Florida expects that each child's right to attend school will be protected, and the Compulsory School Attendance Child Welfare law will be vigorously enforced.

If a student has five (5) unexcused absences for which the reasons are unknown within a calendar month or ten (10) unexcused absences within a 90 calendar day period, the primary teacher must report to principal or designee that the child may be exhibiting a pattern of nonattendance.

As per Florida Statute 1003.27, "Minors who accumulate fifteen unexcused absences in a ninety day period...will be ineligible for driving privileges by state law."

ABSENCE PROCEDURES

The following steps are based upon Florida Statute 1003.26:

1. It is the responsibility of the parent/guardian to provide a written statement to the school explaining the absence within **three** school days following the return of the student to school. After **three (3)** days, the absence remains unexcused.
2. Notes should be written from the parent or guardian containing ALL of the following information:
 - Student's first AND last name
 - Current date
 - Dates of absence
 - Reason for absence
 - Contact phone number where parent/guardian may be reached during the school day
 - Signature of the parent/guardian
3. Absence notes should be turned in to the Attendance Office, located in the front office, BEFORE school. **Emails and telephone calls are not accepted to excuse an absence.**

ATTENDANCE FOR SOCIAL FUNCTIONS

Students who are suspended from school may not attend or participate in any extra-curricular activities. Students with 10 or more excused or unexcused absences for the 1st semester, or a total of 20 excused or unexcused absences for the year will not be allowed to participate in social functions, primarily intended to reward students; this includes Grad-Bash, Prom, dances, field trips unless the student can provide documentation of a physical condition verified by a physician, or other unusual circumstances.

Students may also be barred from participation in extracurricular activities because of the number or severity of discipline referrals as well as lost textbooks.

MAKE-UP WORK

1. It is the student's responsibility to request any work missed while absent within two days of their return to school. Students may make up work missed due to excused absences. Methods for taking make-up exams are left to the teacher's discretion. For an unexcused absence, the teacher may decide whether or not to count the make-up work.
2. A zero may be given for work not made up in the allotted time. Clay County Pupil Progression Plan states that the student gets one day for each day he/she is absent from an excused absence to make up work.
3. If a student is absent for longer than three (3) school days due to an illness or emergency, assignments may be requested by contacting the guidance office. Please allow twenty-four hours for the teachers to compile missed assignments. Assignments may be picked up in the guidance office when they are ready.
4. A pre-excused absence, such as an extended trip out of town, must be requested in writing to the attendance office one week prior to the absence for administration approval. All work missed due to a pre-excused absence must be completed upon return.

TARDY TO SCHOOL

1. **ALL students who arrive late to school (unexcused or excused) MUST sign-in in the Attendance Office in the front office as soon as they come on campus.** The Attendance Office will issue students a tardy pass to class. Students will not be allowed to enter class late without the appropriate pass. Tardies due to late buses are excused, but students must still report to the Attendance Office to sign-in.
2. **We do NOT accept notes to excuse a tardy.** A student must have either a doctor's note or a parent sign them in if they want their tardies to be excused. If a student is late due to a professional appointment (court date, doctor, dentist, etc.), then they must have a note from that office with them in order for it to be considered an excused tardy. Parents do not need to accompany students who have doctor's notes to excuse a tardy.
3. **Four unexcused tardies to school in a quarter will result in your parking permit being pulled.**
4. **Excess tardies to school and/or classes may also restrict a student from attending school social functions like Grad-Bash, Prom, dances and field trips.**

TARDY TO CLASS

It is the policy of FIHS that students are responsible for getting to class on time. In order to help assure compliance, sufficient time has been incorporated into the schedule between classes. Administrators, faculty and staff greatly value time in the classroom and are dedicated toward maximum usage of this training/teaching time. Students arriving late to class are a distraction to the classroom-learning environment. Therefore, teachers will deal with individual tardy students within these guidelines:

Consequences:

- 4th Tardy – 1st referral – Talk to student, possible parking permit revoked and call home
- 5th Tardy – 2nd referral – Call home & Lunch detention
- 6th Tardy – 3rd referral – Call home & after school detention
- 7th Tardy – 4th referral – Call home & ISS
- 8th Tardy – 5th referral – Call home & ISS & Parent Conference
- 9th Tardy – 6th referral – Call home & additional days of ISS
- Each tardy continues to get a referral
-

CHECKOUT/EARLY DISMISSAL PROCEDURES

Please make all efforts to handle personal business during off-school hours.

1. **Students may not leave the school grounds at any time during the school day without permission given to do so through the front office.** Students who fail to follow the proper procedures below for checking out will receive an unexcused absence and face disciplinary action.
2. For early dismissal, ALL students must bring a note requesting early dismissal **to the front office at the beginning of the school day.** Notes are to include the following information:
 - Reason for early dismissal
 - Method of travel (drive, walk, pick-up, etc.)
 - Parent/Guardian person's full name and a phone number where he/she can be reached
 - Once verification is given, a student who is not accompanied by a parent/guardian (drive, walk, etc.) will be issued an off-campus pass **only after the parent or guardian has been contacted by phone.** Students will not be allowed to pull another student out of class to take him/her home.
3. For students who do not drive to school, **PARENT/GUARDIAN OR AUTHORIZED PERSON** must come to the front office to sign the student out. ID must be presented at this time.
4. Students will not be allowed to checkout without parent notification regardless of the age of the student.
5. Students may not use their cell phones for checkout purposes.
6. No student will be dismissed from the clinic by phone call 30 minutes before the end of the school day.

PASSES

It is the responsibility of each student to obtain a proper hall pass if it is necessary to leave class. Students in the halls without the proper pass are subject to disciplinary action. Students will not be issued a pass within the first ten minutes of class.

CAMPUS VISITORS

Fleming Island High School is a closed campus. According to School Board Policy, all visitors must check in at the front office and obtain proper identification when visiting the campus. Only individuals on the student's contact list in FOCUS will be issued a visitor's pass. An unauthorized person (anyone without a visitor's pass) on any Clay County campus during school hours is in breach of the Student Code of Conduct and is subject to arrest by the Clay County Sheriff's Department.

DELIVERIES

Deliveries will not be accepted at school.

Items dropped off for students will need to be picked-up during class change or the student's lunch time.

LOCKERS

Lockers are assigned to students at the beginning of the school year through their 4th period teachers.

1. **Only locks issued by the school are to be put on school lockers. All unauthorized locks will be removed without warning.**
2. The rental fee for a locker is \$5.00. If a student loses his/her lock, there will be a \$5.00 lost lock fee.
3. Mechanical problems with locks or lockers should be reported to the Attendance Office.
4. Lockers are not to be slammed, kicked, marked, scratched or have any materials posted on them.
5. The school is not responsible for property left in the lockers.
6. **School officials may conduct a warrantless search of a student's person, locker, vehicle, or any storage area on school property if such officials have reason to believe that illegal, prohibited, or harmful items may be concealed per Florida Statutes 232.56 (b)**

LOST AND FOUND

The school assumes no responsibility for lost articles. If a student loses an item, he/she may check in the Clinic to see if it has been turned in. Items not claimed by the end of the semester or school year will be donated to charity. We encourage students to avoid bringing large sums of money to school as well as other valuables.

CLINIC

The clinic is available to students who become ill at school, who receive an injury while at school, or who must take prescribed medicine during the school day.

- **Clinic Procedures:**
 - Students must have a clinic pass from a teacher unless it is an emergency situation.
 - Students who are not going home due to illness will be sent back to class within ten (10) minutes in most cases.
 - The clinic does not provide medication of any kind, including aspirin and ibuprofen.
- **Emergency Cards:** All students are expected to return a signed Emergency Medical Card to the Clinic nurse each year to update parent contact numbers and authorize other persons to be contacted when parents are not available. The cards are given out at the beginning of each school year. If any information changes (health or phone numbers, etc.) please contact the school clinic.
- **Medical Conditions:** Any student who has medical problems should have a letter on file in the Clinic and Guidance Office.
- **Personal Medications:** For each medication, the parent or guardian will fill out a medication form which allows the clinic staff to administer the medication at school. Students cannot carry any medications at school. Over the counter drugs **MUST** be in their sealed containers and delivered by the parent or guardian when received by school personnel. Prescription drugs must be in a pharmacy prescription bottle with student's name, name of drug, prescription number and current date, along with administration information. **ALL** medications must be counted when received. Self-administration of ANY medication by the student requires a form provided by the Clinic nurse and signed by the doctor and parent. (Inhalers, Epipens) No medications are to be transported via the school bus system. Only under unusual circumstances will a student be allowed to transport medication. This must be preapproved by the school and the parent.
 - **MIS form 12470** must be completed and returned to the school before the student is allowed to carry their emergency medication (inhalers, epipens)
 - All medications, including emergency medications, must be registered with the school nurse.

No student will be dismissed from the clinic by phone call 30 minutes before the end of the school day.

MEDIA CENTER

- The Media Center is open each morning at 7:10 and will be open until 2:30 PM for student and teacher use Monday, Tuesday, and Thursday. It will be open until 1:30 on Wednesday and Friday. **Media Center hours may vary due to extenuating circumstances.**
- While students are encouraged to visit the Media Center, they must have a pass when visiting on an individual basis during class hours.
- Students are required to sign-in and out of the Media Center.
- **Circulation Policy:** Students may check out five (5) books at a time for a period of ten (10) school days. Some reference materials may be checked out for overnight use and must be returned before classes begin on the following day. The responsibility for materials checked out is that of the students.
 - Overdue books must be returned before additional materials are checked out.
 - Students with overdue books may have limited privileges and be restricted from attending certain extracurricular activities.
 - Any book not returned is considered lost.
 - A replacement cost of the book is charged when a book is lost or damaged. If a student returns a book he/she paid for, the money previously collected is refunded to the student if returned during the same school year.
- There are two active book discussion groups, the Parent/Faculty Discussion Group and the Cookie Chat for students.
- A Teen Advisory Board for students and a Library Leadership Board consisting of parents and faculty members.

VIDEOTAPING OF STUDENTS

Many Clay County students have the opportunity of being videotaped or photographed at school or school activities. Some of these tapes or photographs may be eventually air on Clay County School Board Channel 29 (an educational access channel), be utilized at local, state, or national conferences or workshops, shown on the school's CCTV, or included in local news or the school's internet web page. DRESS CODE

At Fleming Island High School, we believe the dress and personal appearance of students should be a positive reflection on the family, student, school and community. A good rule of thumb; if there is a question about whether an outfit would be acceptable, choose another. The following guidelines are to be followed:

Permitted Apparel

- Outfits are to be tailored in such a manner so as not to expose the body while in normal activity.
- Shorts, dresses or skirts should be **3 inches above the knee or longer**. If leggings are worn, then the top MUST be the proper length of 3 inches above the knee or longer.
- Pants and shorts should be **worn at the waistline** without the necessity of support whether a shirt is tucked in or out and fastened at the top closure. Belts will be buckled at all times if worn.
- Jeans/pants that have frays/holes must have something underneath them, such as leggings, so as not to expose skin or undergarments
- Girls' shirts must cover the shoulder and not expose undergarments in any manner or the midriff.
- Boys' shirts must have a sleeve
- The neckline of a shirt must limit exposure of the body.
- Footwear of some type must be worn at ALL times. Do not wear bedroom slippers.

Non-Permitted Apparel

- Apparel with off-color remarks, pictures, or emblazoned with drug, alcohol or tobacco related slogans
- Apparel displaying violent imagery
- Apparel that is deemed to be tight fitting, such as yoga pants, spandex skirts/dresses, leggings without proper length top, cheer shorts, etc.
- Sleepwear, such as bedroom slippers, pajamas, etc.
- Tank tops, halter tops, tube tops, spaghetti straps, mesh/see-through shirts
- Muscle shirts
- Hats, hoods, bandannas, and caps are not to be worn in class or the buildings unless approved by the administration or for special events
- Chains hanging from clothing

An administrator will determine the suitability of attire in question. Students found to be in violation of dress code policy will be required to wear "dress code" attire for the remainder of the day or until a parent can bring a change of clothing. **Student refusal to wear the "dress code" attire will result in the placement of in-school suspension for the remainder of the day or until a proper outfit can be brought for the student.**

Continued violation of dress code will result in disciplinary action. Time missed from class as a result of dress code will be unexcused.

PARKING PERMITS

Parking permits will be issued to students in grades 11th and 12th who have a valid driver's license, and a 2.5 GPA or higher. Parking permits are non-transferable.

The decals will be placed on the lower left-hand front window of the car.
- Each vehicle that a student drives to school on a regular basis must be registered and have a proper decal.
- **TEMPORARY PARKING PERMITS-** If a situation arises and you must drive an unregistered vehicle on campus (Change of cars, broken windshield, etc.), you must go to the office immediately upon arriving to school and request a one-day parking pass.
